

An Elemental Faith

~~~~~  
Earth ~ Air ~ Fire ~ Water ~ Spirit

The UU Children's RE department's third annual church summer camp will run from 9-11:30AM, June 23-27. The theme of this year's camp is "An Elemental Faith." The camp will focus on exploring the five basic "elements" found in many earth-based religious traditions through story, art, science, music, movement and more. The last day will focus in particular on our children's role as part of an interdependent community and on creating a healthy human presence on the Earth; a presence that celebrates its relatedness to all things and loves everything on Earth as part of its larger family.

The camp's age range includes those children who will be age 4 by the camp start date, thru those entering fifth grade in fall 2008. *You **do not** have to attend the UU Church to attend our camp.* Please fill out an official registration form and mail it to the church office, or drop it in the **completed registrations** folder on the Children's Chapel bulletin board. *Registrations are due by June 8<sup>th</sup>.* We would like to know how many children are coming in order to plan our activities. Thank you very much.
