

“The Everything Seed Revisited” UU Summer Camp

The Children’s RE department's annual UU Church Summer Camp will run from 9-11:30 a.m., June 27-July 1. The theme of this year’s camp is “*The Everything Seed Revisited*.” The camp will focus on our children’s role as part of a growing community engaged in creating a healthy human presence on the Earth; a presence that celebrates its relatedness to all things, loves everything on Earth as part of its family, and feels comfortably at home in the Universe.

The camp will have daily themes including *Beginnings*, *Cycles of Life*, *Darkness and Light*, *Unfolding*, and *At Home in the Universe*. The first portion of each camp morning will consist of a shared worship and learning time, and the rest will be filled with Montessori-style learning choices. We will have a naturalist room, a kinesthetic room, a fine arts room, a contemplative/manipulatives room, and a scientific room. Campers are sure to find just the right niche for them, or they can feel free to try a little of everything.

*The camp’s age range includes those UU church children who will be age 4 by the camp start date, thru those entering fifth grade in fall 2011. **Friends are welcome, but children new to our church community must be age 5 by the camp start date.*** Please fill out an official registration form, and mail it to the church office, or drop it in the “**completed registrations**” folder on the Children’s Chapel bulletin board. We would like to know how many children are coming in order to plan our activities. Thank you!
